Abstract

Abstracts should describe original work, not previously published, which should clearly indicate the new and significant advances and their importance. Abstracts should be followed by a keywords list as:

Keywords: keyword a, keyword b, keyword c, keyword d, keyword e.

Submitted files should not exceed 1Mb, one page and you are welcome to send a PDF file version or a WORD file version of your article. We suggest you to call it with your name followed by extension (name.pdf or name.doc) and the file should be submitted by e-mail (icefa@uni-mb.si).

We recall that the deadline for abstract submission is October 30th, 2010.

In case of late with the Abstract Submission please contact us using: icefa@uni-mb.si
